Dear Supporter,

We are looking for people from all over the country to make a sponsored 10,000 feet tandem parachute jump on our behalf and in return we will pay for you to do it! Everything you need is enclosed in this pack including your reservation form making everything as easy as possible for you to take part.

Brainstrust is a UK based brain tumour support charity. We provide personal 24/7 support from the point of diagnosis onwards, and build resources that help people living with a brain tumour become stronger. We also work with hospitals to secure the best care possible for brain cancer sufferers. And, because we truly understand, we're able to campaign for the brain tumour community to help solve real issues.

As you will see from the enclosed literature we are asking you to raise £500 in sponsorship money. We understand this might be challenging for you, but no more challenging than jumping out of an aeroplane at 10,000 ft. We are here to help you every step of the way, and will be there to cheer you on as you take to the skies and come back safely to land.

The enclosed information has been written by professional event organisers Skyline who receive a flat rate per jumper. Skyline specialise in organising fundraising events for charities so if you have any questions please ring them directly as they are in the best position to answer your questions - you can contact them on 020 7424 5522.

We sincerely hope that after you have read through this information pack you will decide to take on this fantastic challenge. We really need your help so we can continue our work and don't forget, all you have to do is raise the minimum amount of sponsorship and you will get to jump for free!

I look forward to hearing from you soon.

Yours sincerely,

Carol Cochrane

What's it like?

Imagine standing at the edge of an open doorway in an aircraft flying at 10,000 feet - the noise of the engines and the wind ringing in your ears with only the outline of distant fields below. Now imagine leaning forward out of that doorway and letting go - falling forward into the clouds, diving down through the air as you start freefalling at over 120mph! Then imagine the peace and quiet as the canopy opens, the steering toggles come down either side of you and you begin a tranquil parachute descent from a mile up in the air, steering yourself back down to the centre of the drop zone below. Imagine being able to do this for FREE whilst harnessed to a professional freefall parachute instructor and at the same time being able to help a national charity! Stop imagining, it's real and it's happening all the time and you can be part of it...

What does the jump involve?

Technically the jump is called a 'Tandem Skydive'. It is a Skydive because you will be freefalling through the air (without the parachute deployed) for several thousand feet; it is in Tandem because you will be harnessed to a professional parachute instructor at all times throughout the descent (see front photo). This is the only way you can jump from such an altitude without spending thousands of pounds becoming a freefall parachutist. This is literally the chance of a lifetime!

This jump is also much less demanding than the traditional 'static line' jump as the jump and training are completed in one day and your instructor will be in control of your landing.

PARACHUTE JUMP! CONTINUED**

QUESTIONS ? CALL 02074245522

Points to remember:

- Jump and training completed in one day
- Harnessed to an experienced parachute instructor at all times
- Jump from at least 10,000 feet - just like the professionals
- Freefall down to 5,000 feet - falling through the air at 120 mph!
- Ride the parachute down to the ground - we teach you how to steer onto the drop zone
- Landing controlled by your instructor
- Certificate to prove that you have completed a 'two-mile high' Tandem Skydive!

What must I do to qualify for a free jump?

All you have to do is raise £500 in aid of Brainstrust by asking your friends and colleagues to sponsor you. Please do not be put off by this amount - if you ask everybody you know to sponsor you, you will find you can quite easily raise the minimum £500 sponsorship and remember, every penny you raise over the minimum will be further contributing to Brainstrust and giving **you** the chance to make an exhilarating freefall parachute jump for FREE! Brainstrust will also send you a fundraising pack full of lots of useful hints and tips to help you reach this figure.

What do I do next?

Read the following pages entitled 'Important Information' and 'Paying Your Sponsorship Money' and then simply choose a date for your jump and complete the enclosed reservation form. After that all you have to do is make an exhilarating Tandem Skydive from 10,000 feet for FREE!

**This is your chance to experience

Booking Terms and Conditions

1. In order for you to recover reimbursement of the booking deposit and the cost of the training and the jump, you must raise the minimum sponsorship level as detailed in the 'Paying Your Sponsorship Money' page enclosed in this pack.
2. The cost for the training and the jump must be paid on the day of training and this payment is totally non-refundable even if you do not jump for any reason.
3. Should the weather be unsuitable for jumping on the day it will be up to you to return to the parachute centre on another occasion(s) if necessary to complete your jump.
4. All booking deposits are completely non-refundable. However, the standard booking deposit is valid for twelve months from the date of booking and should you be unable to complete your jump due to inclement weather alternative arrangements will be made. This fee is payable to Skyline Promotions Ltd and covers various costs including without limitation assisting you to find an airfield where you may carry out your jump.
5. Skyline Promotions Ltd in will take all reasonable steps to arrange your jump at your nearest available parachute centre but since parachuting is a very popular sport, we may be forced to offer you an alternative due to lack of availability at some centres. Skyline Promotions Ltd acts as your agent in arranging for your jump and not as the agent for the parachute centre. Skyline Promotions Ltd use only those parachute centres which are affiliated to the British Parachute Association as the National Governing Body of the sport. Accordingly, no representations or warranties of any kind are made by Skyline Promotions Ltd as to the suitability, capability, quality of training or operation of any parachute centre. Any queries or complaints with regards to these aspects should be referred to the parachute centre concerned.

Medical Restrictions

For a tandem skydive you must be at least 16 years old and must weigh under 15 stone with your weight in proportion to your height. Please note some centres have lower weight limits - please contact us for details. The principal medical restrictions are diabetes, epilepsy, fits, recurrent blackouts, heart or lung disease, mental illness and some cases of asthma but if you are in any doubt please contact us for further information. You will be required to sign a medical form before your jump declaring your fitness to take part - this will be sent to you upon receipt of your reservation form but is also available on request. Those under the age of 18 will need the medical form signed by a parent or guardian; those aged 40 and over, or those with a medical condition, will need it signed by their doctor.

Insurance

On payment to the parachute centre of the fee for the training and the jump, all jumpers are covered by the British Parachute Association Liability Insurance Policy up to £2 million for liability to Third Parties. Please note that this does not cover you or your dependants for personal injury including death. You are therefore strongly recommended to take out your own insurance cover for personal accident benefits to whatever level you consider appropriate. You can do this either in conjunction with your own insurance broker or you may call us on the number below and we will send you a Personal Insurance Form. If in any doubt you should seek independent advice.

IMPORTANT NOTICE

Parachuting is an adventure sport and participation in such sports necessarily involves a risk of injury or death regardless of the standard of training, supervision and equipment employed. I voluntarily accept all the risks inherent in the sport and I agree for myself and my personal representatives to indemnify and hold harmless Skyline Promotions Ltd against any claim or claims whether on my own account or from third parties arising out of any accident or incident resulting in any loss or damage (including bodily injury and death).
