Dear

**The King's Somborne Village Hall and brainstrust charities are delighted to invite you to their inaugural Test Valley Charity Clay Pigeon Shoot.**

We are pleased to announce that the first ever Test Valley Charity Clay Pigeon Shoot will be held on the prestigious Compton Manor Estate, one of the top ten rated estates for shooting in the country. This promises to be a thrilling day, delivering a high quality, first class clay shoot in a superb Hampshire countryside setting. The landscape at Compton Manor offers fantastic terrain for shooting, situated within a valley surrounded by chalk downs, open fields, mature hedgerows and far reaching views of the surrounding countryside; the perfect environment for an excellent variation of clay targets and escape for the day.

Shooting in teams of four (and yes, single guns are welcome to be teamed up), this 100-bird clay shoot, which will also include a team flush and a pool shoot, begins at 9am with hospitality on arrival. A superb hot and cold lunch with wine will be served at 1pm, at which time a pay bar will also be available. Lunch will be followed by an auction and raffle.

*King's Somborne Village Hall* and *brainstrust* are registered charities. Both charities were born in Kings Somborne and they are proud to be working collaboratively on this venture. *King's Somborne Village Hall* is raising funds for much needed redevelopment and refurbishment of this valuable community site. *brainstrust* is dedicated to improving clinical care for brain tumour sufferers and provides coordinated support in their search for treatment.
